Contractor's Request for Payment No. 3

Dear Tammy:

Attached for city approval is Contractor's Request for Payment No. 3 for the 2019 8th Street NE and 6th Avenue NE Improvements Project. The prime Contractor on this project is Minnesota Paving and Materials.

This request includes the boulevard restoration (seeding). This request also reduces the project retainage to 1% of the total completed value. Construction is substantially complete.

We have reviewed the contractor's payment request and found it to be in order. We recommend approval. **If the City wishes to approve this request, then payment should be made to Minnesota Paving and Materials in the amount of \$24,692.37.**

Please execute the payment request documents. Keep one copy for your records, forward a copy to Minnesota Paving and Materials, and return one copy to me.

Feel free to contact Chuck Boser or me if you have any questions.

Oct. 21, 2019 meeting 7:30 AM City Hall

Present: Marshal, Jordan, Matt, Tammy, Joe C., and Tim T.

Call Meeting to order – 7:37

Secretary's Report – Review and approved

Old Business

Jeff Dotseth Property – Jeff came back and is asking \$398,000. The County has the value at \$117,000. Tammy also reminded the group that 16 acres of the land is actually usable. That is too expensive for our budget. It would be sold as is.

Independent School District 912 Referendum – Tim gave a brief reminder of the upcoming election on November 5. He directed the group to check out the district's facebook page for updates. He has received positive feedback on the video posts.

Industrial Park Surveys - Matt and Tammy went around to the industrial lot businesses to visit. General feedback was that most businesses are open to expansion, but are concerned with workforce. They are interested in working with schools to build that workforce. Compared to other communities, Matt reported that community support is the same. Housing is also a factor. Overall, the business surveys went well.

New Business

- The Embers building is being torn down within 30 days. The fence is up.
- Brewery is starting to move along. The owner (Eric Sannerud) is pursuing plans and determining needs. He is meeting with people to figure his next steps.
